

Re: Invoice - 19-0265

Today at 9:52 AM

I have turned this over to the treasurer of our building. I am writing primarily to say thank you. You do always go above and beyond, and that is appreciated. This crew was exceptional and truly care about the job they do. And we are grateful. And we really do assume it will be a VERY long time before units on the east side of our building experience any water damage.

Thank you

Steve Dale, CABC
